# New Believers Quiet Time Guide

It is such a blessing to have you as a part of our family in Christ. The biggest question after you have made this profession of faith is: NOW WHAT? The goal of every Christian is to become more like Jesus every day, and the best way to do that is through reading the bible on a daily basis and living out what the bible says in your life. In this packet you will find quiet times to help you in your quest to becoming more like Christ with every turn.

The quiet times that we have laid out for you will help you get an overview of theology (the study of God), Christology (the study of Christ), other Christian doctrines, and what it means to be a Christian. Each daily entry will guide you in your walk with the Lord. Each entry will start with prayer asking God to open your eyes to the passage, then it gives you a scripture passage to read that corresponds with a topic, next it will ask you what the passage says, then you will write how the scripture passage will influence you in your quest to becoming more like Jesus, and lastly praying again for you to live out the scripture and then what ever else is on your heart to pray. We suggest that you write everything out, and there is some space given here, but if you want to have a journal to provide more space, that would be an excellent choice.

If you want to know more about the verse, look to the cross references of that verse, they will give you more scripture on the topic. If you have any questions, please do not hesitate to ask, we are always available for you and find it our privileged to help you out in your quest.
